

Nursing Schools Almanac has just launched its third annual Aspiring Nurse Scholarship. Our website will award a \$1,000 scholarship to an aspiring nurse who best demonstrates:

- + A track record of academic excellence, particularly in science and mathematics
- + A passion for the nursing profession and the overall field of healthcare

This scholarship is open to all high school seniors who plan to pursue college education in nursing, including LPN / LVN, ADN, and BSN programs. Scholarship applications will be accepted until midnight on June 30, 2017.

Interested students may visit www.nursingschoolsalmanac.com and click the banner on the right-hand side of the website's homepage. Here they'll find detailed scholarship information and the official application form.

We welcome you to include information about our scholarship competition on your school's website. Please feel free to spread the word via social media as well.

Your students may also find our website a helpful starting point for their college search. We provide the Web's most comprehensive and analytical resource for selecting a nursing school. I've included below a link to our research on your state. Feel free to post this among your online college counseling resources if it's helpful:
