

SAMUEL T. BRUMBAUGH/TMSDEF SCHOLARSHIP

CRITERIA

Available to any TM high school senior (male or female), who had a grade average at the beginning of their senior year greater than 3.2 (on a 4.0 system).

Student must have participated in the same inter-district athletic sport or extra-curricular activity during at least two school calendar years. (Not necessary to have "lettered", "starred", or "started", but must have been on the roster and participated in some manner for the entire season).

"(S)he must be accepted into either a 2-year or 4-year Pennsylvania (or bordering state) accredited institution of higher education to major or minor in a computer, mathematics, or science field of study - with preference given to applications accepted into a 4-year institution."

Submission of 400-500 word essay – summarizing qualifications, rationale for choosing selected field of study, financial need, and long-term career goal(s).

Application and essay requirements available in the Guidance Office

Deadline: April 12, 2017
