

THE CHALLENGE PROGRAM, INC.

A Program for ALL Students

The Challenge Program, Inc. mission is to build sustainable Business/Education partnerships while introducing students to careers in their communities.

This partnership contributes to workforce and economic development by motivating students to develop the habits required to succeed in school and in their future careers.

The Challenge Program, Inc. is a Program for All Students, *regardless of a student's previous academic performance*. The Challenge Program, Inc. *challenges all students* to compete for an award to increase their success in and out of the classroom and become quality employees for businesses in their communities.

- **Our Presentations** reflect workplace scenarios using The Challenge Program's five award categories as building blocks for success.
- **Our Financial Award Incentives** demonstrate a real-world motivational application.
